AMENDMENT UNDER 37 CFR §1.111

Sir:

In response to the Office Action dated November 17, 2005, please amend the above-referenced application as follows:

Amendments to the Claims are reflected in the listing of claims beginning on page 2 of this paper.

Remarks/Arguments follow the amendment section of this paper.

In the Claims

This listing of claims will replace all prior versions and listings of claims in this application

1 (Currently amended). A method for honoring or memorializing a person, place, thing or event, wherein the method comprises:

- a) choosing a desired shape or pattern;
- b) identifying a star chart that depicts the stars in at least a portion of the sky; and
- c) then identifying a constellation of at least three stars that define, or otherwise correspond to, the chosen shape or pattern;

wherein the identification of the constellation is documented by providing, in written form:

- i) the person, thing, or event that is honored or memorialized;
- ii) the shape or pattern chosen; and
- iii) the stars that correspond to the shape or pattern;

and wherein a computer program is used to identify and select stars that will become part of the constellation as set forth in part c) or wherein the chosen shape or pattern is reproduced on a transparent or semi-transparent medium and placed over a star chart in order to identify stars that define, or correspond to, the chosen shape or pattern.

2 (Original). The method, according to claim 1, wherein at least one of the stars identified in step b) is visible to the naked eye.

3 (Cancelled).

4 (Original). The method, according to claim 1, wherein at least 5 stars are used to define the shape or pattern.
